## A holiday gift that is appreciated — Taxes08.

Do you need a year-end gift for clients, customers, employees, and friends that is affordable, useful, and unique? Consider giving **Taxes**, our handy pocket-size guide.

- **Taxes wins friends.** We have purchasers who order up to 2,000 copies for gift giving because they know it builds good relations with their customers, clients, and employees.
- **Taxes is valued.** This 96-page guide contains important information for filing 2007 federal and Wisconsin individual income tax returns. It also answers a myriad of tax questions on such topics as the sales tax, the property tax deferral program, and real estate transfer fees.
- **Taxes is trusted.** Our customers know they can rely on information provided by the Wisconsin Taxpayers Alliance (WISTAX). Some have been receiving **Taxes** since the 1940s!
- **Taxes is affordable.** It's only \$3.75 for a single copy; only \$1.10 each in quantities of 500 or more.
- **Taxes promotes you!** If you order 250 or more copies, we will print three lines of copy promoting your business or service on the front cover for an additional \$25. Imprint orders must be received by Monday, November 26, 2007.

**Taxes** is available the latter part of December—an ideal time for gift giving. But you must order today. Use the order form below, or phone 608-241-9789 to place your credit card order.
