

# The perfect gift. For you, or for . . .

Your pastor. Mailman. Paperboy. Your sitter. "Coach." Receptionist. Or vet.

Not to mention your best customer, your business partner, or your ditzy aunt Clara. Your oft-seen plumber, your golfing buddies, the kids' teachers, and your dentist. And don't forget your niece with the new job and the big kid who mows the lawn. Or your dinner group or the neighbors who fed the cat while you were gone.

**Everyone needs Wisconsin's only pocket tax guide.**

Wisconsin's *only* pocket-size tax guide, **TAXES2010**, makes a needed and appreciated year-end gift for clients, customers, employees, and friends. It is affordable, useful, and unique. This year, why not give **TAXES**?

- **TAXES wins friends.** We have purchasers who order up to 2,000 copies for gift giving because they know it builds good relations with their customers, clients, and employees.
- **TAXES is valued.** This 96-page guide contains important information for filing 2009 federal and Wisconsin individual income tax returns. It also answers a myriad of tax questions on such topics as the sales tax and real estate transfer fees.
- **TAXES is trusted.** Our customers know they can rely on information provided by the Wisconsin Taxpayers Alliance (WISTAX). Some have been receiving **TAXES** since the 1940s!
- **TAXES is affordable.** It's only \$3.95 for a single copy; only \$1.10 each in quantities of 500 or more.
- **TAXES promotes you!** If you order 250 or more copies, we will print three lines of copy promoting your business or service on the front cover for an additional \$30. Imprint orders must be received by Monday, November 23, 2009.

**TAXES** is available the latter part of December—an ideal time for gift giving. But you must order today. Use the order form below, or phone 608.241.9789 to place your credit card order.
